

AMENDMENTS TO THE DRAWINGS:

Attached are two sheets of formal drawings. The sheet of drawings illustrating Fig. 2 replaces original sheet 2/3 and includes a change made to Fig. 2. Namely, the lead line and reference number 20 has been moved to the correct location. The sheet of drawings illustrating Fig. 4 is a new formal drawing and illustrates a schematic view of the circuit board 28, the actuator 16, the contact element 22 and the contact carrier plate 20.

No new matter has been entered.
